Investment Strategy	<p>The scheme will predominantly invest in the units of PGIM Jennison Emerging Markets Equity Fund (the Underlying Fund).</p> <p>Investment objective and policy PGIM Jennison Emerging Markets Equity Fund (the Underlying Fund):</p> <p>The Fund aims to seek long-term growth of capital. The Fund will seek to achieve its investment objective by investing primarily in equity and equity-related securities of companies located in or otherwise economically tied to emerging markets countries. The Fund may invest a large portion of its assets in a single country or region.</p> <p>The benchmark of the Fund is the MSCI Emerging Markets Index, however, the sub- investment manager has discretion over the investments of the Fund. The Fund will be actively managed and does not intend to track the benchmark. The benchmark is being used by the Fund for performance comparison purposes only.</p> <p>In determining which securities to buy and sell, the sub-investment manager analyzes individual companies that are located in or otherwise economically tied to emerging markets countries that it believes are in the early stages of acceleration in their growth due to: innovation in a technology, product, or service that disrupts the existing competitive landscape of an industry; a new product cycle or market expansion; acceleration in industry growth; an increase in the market for a company's product or service; leadership in a market niche; or benefits of a company's organizational restructuring.</p> <p>The Fund can invest without limit in non-U.S. equity and equity-related securities, typically invests in a number of different countries, and will invest a significant portion of its assets in companies located in emerging markets. Because the Fund may invest a large portion of its assets in a single country or region of the world, the Fund's investments may be geographically concentrated. This can result in more pronounced risks based upon economic conditions that impact one or more countries or regions more or less than other countries or regions.</p> <p>The Fund may also hold cash, on an ancillary basis, and invest in money market instruments, which may comprise fixed term deposits, investment grade fixed and floating rate instruments including (but not limited to) certificates of deposit, banker acceptances, freely transferable promissory notes, commercial paper, floating rate notes, debentures, asset backed commercial paper, government bonds, corporate bonds, asset backed securities and money market funds. The Fund may not be leveraged in excess of 100% of its net asset value, through the use of derivatives.</p>																

<p>Plans & Options</p>	<p>The Scheme offers two plans viz Regular Plan and Direct Plan.</p> <p>Direct Plan is only for investors who purchase /subscribe Units in the Scheme directly with the Fund and is not available for investors who route their investments through a Distributor and is offered in accordance with Para D of SEBI Circular no. CIR/IMD/DF/21/2012 dated September 13, 2012.</p> <p>Each Plan has two Options, viz., Growth Option and Income Distribution cum Capital Withdrawal Option (IDCW). IDCW Option has the following two facilities:</p> <ol style="list-style-type: none"> Payout of Income Distribution cum Capital Withdrawal option (IDCW-Payout); Reinvestment of Income Distribution cum Capital Withdrawal option (IDCW- Reinvestment); <p>If distributor code is mentioned in application form but 'Direct plan' is mentioned in the scheme name, the distributor code will be ignored and the application will be processed under direct plan" & in case neither distributor code nor "Direct" is indicated in the application form, the same will be treated as direct plan.</p> <p>Please refer SAI for Treatment of purchase/switch/ Systematic Investment Plans (SIPs)/ Systematic Transfer Plans (STPs) transactions received through distributors who are suspended temporarily or terminated permanently by AMFI.</p> <p>Default Option/Sub-option:</p> <p>The investor must clearly specify his/her choice of Option/Suboption in the application form, in the absence of which, the Default Option/Sub-option would be applicable and the application will be processed accordingly:</p> <p>Default Option: Growth Option (if the investor has not indicated choice between 'Growth' or 'IDCW' Options).</p> <p>Default Sub-option Under IDCW Option: IDCW reinvestment.</p> <p>It must be distinctly understood that the actual declaration of IDCW and frequency thereof is at the sole discretion of Board of Directors of the Trustee Company. There is no assurance or guarantee to the Unit holders as to the rate of IDCW distribution nor that the IDCW will be paid regularly. If the amount of IDCW payable under the IDCW payout is Rs. 100/- or less, then the IDCW would be compulsorily reinvested in the same option of the Scheme.
